# SWITCH TO STREAM TODAY!

Appointments are filling up fast! Make the switch to SELCO Stream today. Existing legacy cable customers are eligible for free installation or a \$25 self-installation bill credit. Legacy cable services will reach its end of life on August 1, 2024, so don't delay, switch today!

Want to learn more? Stop by our office to see SELCO Stream and test the service for yourself, or visit [SELCO.ShrewsburyMA.gov/stream](http://SELCO.ShrewsburyMA.gov/stream).

**SIGN UP TODAY!**  
FREE INSTALLATION OR  
**\$25 SELF-INSTALL CREDIT**  
(\*for existing legacy cable customers only)

## NEPPA LINeworkERS RODEO

Kudos to Team SELCO! Lineworkers Jeff Proctor, Jon Bishop, and Justin Vandal showcased their incredible skills at the Northeast Public Power Association (NEPPA) Rodeo in Hull, MA!

The rodeo is an exciting competition where lineworkers tackle challenging tasks like climbing poles and completing timed assignments such as transformer changeouts and obstacle courses. Teams from Municipal Light Plants and COOPs across New England gathered to compete, and Team SELCO made a remarkable debut, scoring a perfect 100% in three out of six events!

NEPPA's Annual Lineworkers Rodeo isn't just about competition—it's also about promoting safety, enhancing skills, fostering teamwork, and providing a deeper understanding of utility work for attendees. Congratulations to Jeff, Jon, & Justin for their achievements at the NEPPAS Rodeo!

## SELCO/NESN SCHOLARSHIP

The SELCO Commission is proud to announce this year's recipients of the Shrewsbury Electric & Cable Operations and New England Sports Network Scholarship. The recipients are Meghan Dowd, Nicole Iparraguirre-Bringas and Vira Riabova. These individuals were selected for their outstanding accomplishments and activities including their community service, volunteer work, extracurricular activity, work ethic, and academic achievement throughout four years of high school.

## SUMMER MARKET

SHREWSBURY

SUMMER MARKET

The Parks & Recreation Department will be combining the Farmer's Market and Food Truck Thursdays starting on Thursday June 6th at 3:00 PM at Town Hall. Check out Shrewsbury Summer Market on Facebook for more details. Look for the SELCO tent at select markets to get your free insulated tote bag while supplies last!

## 0% ENERGY LOANS

SELCO is now offering 0% interest electrification and efficiency loans for owner-occupied homes or condos. These loans are available for the installation of HVAC heat pumps (air or ground), solar, service upgrades, energy-efficient replacement windows, and doors or additional insulation.

Contact NextZero for a free home energy audit and/or Heat Pump Assessment (1-888-333-7525) and submit a loan application to get started.

## CONNECTED HOMES

Connected Homes is a program offered to customers of Shrewsbury Electric and Cable Operations (SELCO) that leverages the technology of smart appliances and devices into cost savings for customers. The program allows SELCO to better manage its electric load, reduce costs, and keep rates low.

By enrolling a smart device in the Connected Homes Program, customers agree to allow Connected Homes to make brief, limited adjustments to their devices during times of peak electric demand, such as temporarily turning off an electric vehicle charger during peak hours.

Enrolled customers will receive from \$5 to \$15 each month for each enrolled eligible device.
