SELCO Announces Commercial Landscaping Equipment Rebate Program

SHREWSBURY, Massachusetts – Shrewsbury Electric and Cable Operations is excited to announce a new Commercial Landscaping Equipment Rebate program. Shrewsbury businesses can now receive rebates up to \$3,000 per year for select battery powered landscaping equipment.

As part of our ongoing electrification efforts, this program offers rebates on a variety of commercial grade outdoor equipment. Qualified customers are eligible for different levels of rebates depending on equipment type, up to \$3,000 per customer per year. The customer must operate a Shrewsbury-based commercial business or municipal service. Qualifying products include:

- Lawn Mowers
- Leaf Blowers
- Chainsaws/Pole Saws
- String Trimmers
- Hedge Trimmers
- Rototillers
- Pressure Washers
- Snow Blowers

Visit SELCOBusiness.com/landscaping for complete program details. This rebate program is one of the many ways SELCO is supporting a clean energy future.

SELCO is a community owned and operated utility serving Shrewsbury, Massachusetts. SELCO provides high-quality electric, cable, telephone, and internet services at competitive prices to residential and commercial customers within the Town of Shrewsbury.
